

100 networks to join for paid blogging opportunities

Hey!

It is *Kiyashmi* from [*Kiyashmi: Twenties and Lifestyle.*](#)

Not too long until everything winds down for the holidays. Now I am using this week to really push through all of my blogging goals and set up my business for growth in the New Year. These days I am all about optimizing my researches and finding new networks, opportunities to boost up my blog income in 2018. Though I generally fail at my New Year resolution, this time I am going to implement some strategies to level up my success score.

Have you ever wondered how bloggers are making \$5000 per month with blogging? They are posting income report monthly but your blog is still not making money. What are the secret cards they are playing? Are they making it for real?

Well I want to answer your questions, neither there are secret magic behind nor they are just faking it. They just have some very resourceful networks and utilizing them with proper strategies.

Whether you are a new or established blogger, you need a realistic resourceful blogging networks to increase your blog income to cover

up at least your blogging expenses. In this regard, I suggest you to look back into my previous blog post [Great ways to monetize your blog in 2018](#) where I have written down proved opportunities to monetize your blog.

One of the quickest and most productive way to monetize your blog is

“Paid bloggers networks”

If you are unaware of Paid bloggers networks, let me introduce you briefly. These network works as a middle person between you and brands. It is obvious that reaching out brand for sponsorship or promotion is a lengthy process. Paid blogging networks minimize your time and make easy for you to work with companies.

I have mentioned few of them in my previous blog post: [Great ways to monetize your blog in 2018](#) but those are not sufficient to meet your New Year resolution. Therefore, I am releasing this freebie with 100 paid blogging networks to turn your hobby into a profitable business.

This e-book contains all the boosters you need for your blog in 2018.

Before you land on these platforms, I want to give you a small advice: **do not compare your blogging journey with other established bloggers. They must have come through the same road successfully, that is why they are in that place today. Do what you know, offer something unique, exceptional...something can be found on your blog only.**

I promise you to come with some new excellent resources for your blog.

Until then,

Happy blogging and keep smiling :)

Regards

Kiyashmi ♥

(P.S: If you have any query regarding any of these blogging networks, please hit the button "Reply", I swear it will come directly to my inbox and I will help you with my heart out. :))
